Michele writes: “I love to quilt and share my passion of quilting with my students and customers! I have the gift of being able to combine colors and fabrics together through the design process to create THE quilt! As a quilt teacher, students will find my classes jam packed with cutting, piecing plus pressing tips and techniques; enthusiasm; and encouragement! I want my students to have FUN, “step out of their box” to try something new, and work at their own pace as there isn’t a “quilt police” in my classes.”

Michele has taught at: AQS Branson, Daytona Beach, and Paducah; Home Machine Quilting Show (HMQS); Northwest Quilting Expo; Houston Quilt Festival; Quilt Expo Reno; Road to California; Rocky Mountain Quilt Festival; Rusty Barn shows; Sewing and Stitchery Expo; and various quilt guilds.
